BEAUTIFUL MOVE IN READY HOME! Almost 1900 square feet of one level living includes a detached 2 car garage, huge mud room, sweeping front porch, as well as a roomy, private screened porch to enjoy the large open yard. Recently updated home with fresh paint throughout, brand new laminate flooring in the family room, new windows, crown molding, updated bath, as well as a large master with private bathroom & double closets. Two spacious living areas include a living room off of the foyer open to a separate dining room, and a family room with sliding doors lead into the screened porch. The side entrance from the driveway delivers you into the tiled mudroom, through to the tiled spacious kitchen featuring granite, back splash, wood cabinets, and newer appliances. Gorgeous level lot in a convenient location to all Richmond has to offer!
